

The Chairman of Gazprom, A. Miller, confirms the company will act as an Official Supporter of the 8th Russian Petroleum and Gas Congress on 24 June 2010 in Expocentre, and as a Partner of the Gas Day.

This event is included in Gazprom's plan of participation in congresses, forums, conferences, research seminars and exhibitions for 2010.

Given the positive experience of our cooperation, and the fact that Gazprom was the Partner of the Gas Day in 2008 and 2009, we consider it appropriate to support this event.
